CHAMBER WELCOME

The Greensburg Decatur County Chamber of Commerce is a vital part of the ongoing growth that is taking place here in Decatur County. Your membership in the Chamber provides unparalleled opportunities to connect with peers, current and prospective clients and partners up and down the supply chain, to keep communication lines open.

Further, the programs and events we present provide extraordinary opportunities to grow needed networks and gain new insights to address the ever-changing challenges facing all of us in business today. By working together as Chamber members, we have a much stronger voice with our elected leaders as they contemplate policy.

The Greensburg Decatur County Chamber of Commerce understands that in order to have a strong economic environment you must have a strong community. We are truly blessed in our community to have leaders, business owners, educators and citizens who realize that we all share in the responsibility of creating economic success and happiness within our community. The Chamber's goal is to work toward improving the quality of life for all through the support and commitment of its members, volunteers and committees. The Chamber is proud to partner with fellow agencies throughout the year to help support the community.

As the 2021 Chamber President, I am honored to work alongside our dedicated Board who all share the same vision, business growth and healthy community environment. If you are not a member of the Greensburg Decatur County Chamber of Commerce, please join us today. Your membership will benefit your business and the community.

To make all of the programs possible, the Greensburg Decatur County Chamber actively recruits local member support at a variety of levels. Our largest supporters are our 315 business members, which are critical to fulfilling our mission.

Our mission is clear:

"To build a positive business environment by providing strategic leadership, advocacy, and resources for our members."

Sincerely,

A handwritten signature in black ink that reads "Mandy Jo Lohrum". The signature is written in a cursive, flowing style.

PROFITS

fcnbank.com

Whether your business is small or large, at FCN we treat every business owner like they are the chairman of the board. It starts with taking the time to understand your business and being there for you with the right products and responsive service you need to gain an advantage on your competition and boost your bottom line. We measure our success by your success! FCN Building Stronger Communities.

Stellar [stel-er]

Adjective

- 1) of or relating to the stars
- 2) like a star, as in brilliance, shape, etc.
- 3) a community working together to make their region the best place to live, work, and play!

The City of Greensburg, Greensburg/Decatur County Chamber of Commerce, Greensburg/Decatur County Economic Development Corporation, Visit Greensburg, and the Decatur County Community Foundation serves as the community's Stellar Group. This unique partnership gathers every month to bring projects to life that were laid out in the group's 2018 Stellar Communities application. This group

also collaboratively assists each other's organizations with projects and volunteering opportunities to truly create an environment where Greensburg's future possibilities are endless. Make sure to come check out some of the completed projects include the Dog Park, Rebekah Park Amphitheater, the Splash Pad, and Greensburg's newest addition - Pirate Park, our nine-acre community green space.

EDUCATION

NORTH AND SOUTH DECATUR JR-SR HIGH SCHOOLS

Families residing in the north side of the county attend North Decatur Elementary and North Decatur Jr-Sr High schools, home to the Chargers. Families living south of Greensburg attend South Decatur schools, home of the Cougars. The DCCS board of school trustees established a new set of guidelines to increase educational opportunities for students at all schools. Their three-part plan includes an effort to create a district-wide wireless infrastructure at all DCCS schools—providing wireless connectivity at all school buildings which increases learning opportunities and helps educators stay better connected to the students and to each other.

The Decatur County Schools have an enrollment of 1841 students district-wide. The high schools serve grades seven through twelve. North Decatur Jr-Sr High School is home to 492 students. Last year, North Decatur had a graduation rate of 98.9%. North Decatur's Social Studies academic team earned 2nd place in the state in 2021. South Decatur High School has 426 students. Last year, South Decatur had a graduation rate of 100%, one of the highest in the state. The rigorous and relevant curricula at both high schools include agriculture, math, language arts, reading, science, computer education, music, social studies, special education, physical education and diverse electives. Teachers pride themselves on leading through example and instruction. Charger and Cougar students can choose from a wide variety of participatory sports including basketball, golf, track, volleyball, softball, baseball and football as well as a recently implemented and successful archery program. The schools are also home to accomplished bands, choirs and drama departments.

All Decatur County schools focus on individual achievement and high levels of academic opportunity in caring, community-oriented environments. The DCCS one to one initiative, which puts technological devices in the hands of each student in kindergarten through twelfth grade, gives personalized learning opportunities to all students. One of the goals of the one-to-one initiative is to create "twenty-first century learners" capable of using the digital skills that colleges and employers will expect of applicants in the future. Both North and South Decatur Jr-Sr High Schools have added identical 13,500 square foot field houses, which will be used for school events, particularly allowing multiple sports teams to practice simultaneously.

In 2021, the school district completed an extensive renovation project to completely update all four schools. This includes the opening of the brand new Decatur County Cyber Security Center located at North Decatur Jr/Sr High School. After this summer the Decatur County Nursing/Bio-Med Facility will be completely renovated and feature all new state of the technology that is housed at South Decatur Jr/Sr High School. Lastly, both High Schools were just recognized by the U.S. News as top High Schools in the United States.

NORTH AND SOUTH DECATUR ELEMENTARY SCHOOLS

The elementary schools offer kindergarten through sixth grade to students on the north and south sides of the county. In the course of their education, young Chargers and Cougars get an introduction to their community, learn to think for themselves, and develop a strong appreciation for the arts and sciences. Students at both elementary schools have a variety of extracurricular activities to choose from, which help supplement their classroom-based education. Chief among these are art, band, choir, drama, Spell-Bowl and student council. Archery is a new sport at both schools, and the teams are growing in size and skill each year. Parent-Teacher Organizations are active at each school as well. North Decatur Elementary has 511 students. South Decatur Elementary reported 412 students. Smaller class sizes allow teachers to offer individual attention to students who need it and the district's elementary schools, whether Cougar or Charger, focus on cooperation between parents and faculty to provide the best education possible.

GOOD SHEPHERD CHRISTIAN ACADEMY

Good Shepherd Christian Academy (GSCA) is a state-accredited school that provides a Christ-centered education for students preschool through fifth grade. GSCA partners with family and church to provide a Christ-centered, Biblically based education emphasizing academic excellence and character development. Our goal is to provide an educational environment that is spiritually based, emotionally encouraging, physically safe, and intellectually challenging. We believe a child has the best opportunity for success when home, church and school are working together in harmony towards these ends.

A low teacher to student ratio allows GSCA teachers the unique opportunity to provide individualized

attention and differentiation based on student needs. Students in Kindergarten through 5th grade enjoy 1:1 technology, music, PE, art, and weekly chapel services. Bus service is available to students that live in the Greensburg Community School District. Good Shepherd also provides a quality early learning program. Early Preschool is designed for students age 3-4, and Kindergarten Prep is designed for students age 4-5. Half and Full Day options are available. Students of all ages, but especially those in preschool, enjoy the new playground.

Good Shepherd Christian Academy is located at 209 W. Washington St. just a short distance from the square in downtown Greensburg. More information can be found at www.gscacademy.org.

ST. MARY'S CATHOLIC SCHOOL

St Mary's School provides a Christ-centered education in the Catholic tradition for preschool through eighth grade. Through a committed partnership among parents, school and church, students have the opportunity to experience their faith on a daily basis in an environment dedicated to helping each child reach their full potential.

Parents have the option of enrolling kindergarteners in either full or half-day classes.

There are 330 students enrolled at St Mary's, instructed by 21 teachers. The 1:16 teacher to student ratio allows St Mary's teachers smaller, integrated classrooms and the opportunity to provide the individual attention they may need. The entire administrative and teaching staff is dedicated to life-long learning, challenging its students, teachers, administrators and parents to model Christian values and attitudes in their everyday living.

Fifth through eighth grades have a one-to-one

computer program, and seventh and eighth graders may be eligible for a college scholarship through Indiana's 21st Century Scholars program. Other offerings include algebra for 8th graders, speech therapy, a resource room, a social worker, on-site and after school daycare, art, music, physical education and technology.

Bus service is available to students that live within the Greensburg Community School District. Field trips, sports teams, archery, academic teams, robotics team, math league, science fair, little Olympics, Little Hoosiers, middle school band and weekly communal liturgies, prayer services and Mass participation round out the offerings at St Mary's.

St. Mary's is located at 1331 E. Hunter Robbins Way, across from Mill Ridge Estates on the south side of Greensburg. In the past it has been designated as a 4-star school and has always been given the grade of an "A" or "B" by the Indiana Department of Education.

GREENSBURG COMMUNITY SCHOOL DISTRICT

"Think Opportunity"

The Greensburg Community School district combines small town values with 21st century education that prepares students for challenges that they may face outside the classroom. The district is comprised of Greensburg Community High School, Greensburg Junior High School and Greensburg Elementary School and is centrally located in the heart of Greensburg and Decatur County.

The three schools complement each other and actively work to build a new generation of Hoosier students who value their futures and the future of Tree City. Surrounded by nearby manufacturers like Honda, Showa Denko Materials Powdered Metals USA Inc., GECOM and Valeo, the schools lie within easy access of the library, YMCA, beautiful parks and the historic town square internationally famous for large-toothed aspen (or are they maple as recently believed by Purdue University) trees growing out of the courthouse tower. Families settling in the area will appreciate how community leaders and businesses have worked diligently to facilitate strong ties to the local schools, their educational goals and student relationships.

The corporation employs 140 teachers to serve the needs of the district's 2100 students (teacher-student ratio is 1:15) Long-time superintendent Tom Hunter and his staff administer to the Greensburg Community School district from the administration building located on Westridge Parkway while keeping to the district's core values, which include accountability, evidence-based decision making, continuous improvement and social responsibility.

GREENSBURG COMMUNITY HIGH SCHOOL

Greensburg Community High School serves over 700 students on its 79-acre campus with nearly three-quarters moving on to post-secondary education. Vocational education has recently become a top focus within the district. Today's students have a new in-house Construction and Manufacturing wing that houses two 5,000 square foot hands-on labs, servicing the Interdisciplinary Cooperative Education (ICE) program as well as the Building and Trade, Project Lead the Way Pre-engineering, Vocational Agriculture, Drafting and CAD programs. Recognizing that both professional and skilled labor vocations are the backbone of America, today's

students are given more choices for their careers. Local manufacturers provide internship opportunities for hands-on trade and managerial leadership skills that can't be taught inside of a traditional classroom.

Greensburg High School's 2021 projected enrollment is 720 students in grades 9 through 12. Class sizes are small, with a ratio of one teacher for every 14 students. Smaller classes allow the current 41 teachers to focus on the needs of each individual student while moving the entire class forward to meet strict state academic requirements.

GCHS also provides a wide range of extracurricular activities, such as boys' and girls' basketball, baseball, football, soccer, golf, track and field, swimming, tennis, wrestling and cross country. GCHS offers state caliber athletic programs. Since 2014, GCHS has had two state championships and a runner up finish in team sports. Multiple athletes in various sports have participated in state level competition. The school also features impressive band, choir and drama programs, which are able to perform in GCHS 1000-seat auditorium. GCHS was named "Indiana Percussion Association 2019 State Champions". The school also offers numerous clubs in which students may participate.

GREENSBURG JUNIOR HIGH SCHOOL

Greensburg Junior High School preps its students to be successful at the high school through a curriculum that focuses on academics and hands-on learning. Students excel at independent thinking and move on to high school with a high ability to process new concepts and information.

GJHS currently has over 450 students in grades 6 through 8. With 52 faculty members, the teacher to student ratio is 1:13, meaning class sizes are small enough to allow each student individual attention as needed.

Junior High students are typically high-energy, inquisitive and enjoy their active involvement in extracurricular activities. More than 80 percent of students participate in a sport or club of some kind. GJHS offers football, volleyball, cross country, girl's or boys' basketball, wrestling, golf, swimming, track, pep band, cheerleading, dance drill team and an archery team.

The staff is excited to provide an innovation lab which allows many opportunities for hands-on experiences and new STEM activities.

The Junior High School is very innovative with it's 21st Century technology emphasis that can be found in every classroom experience. STEM activities help connect the junior high experience to the real world expectations of future graduates.

GREENSBURG ELEMENTARY SCHOOL

Greensburg Elementary School serves preschool through fifth grade. There are currently over 900 students, including over 75 in the preschool program. GES employs 55 teachers with an average class size of 15 students per teacher.

The school puts an emphasis on family first and hosts regular after-school activities designed to provide parents with opportunities to work side-

by-side with their children on special work-study projects.

Greensburg Elementary has a saying that sums up the attitude of everyone involved in the Greensburg school district: "Be happy where you are on the way to where you are going."

Greensburg Elementary offers students' sports teams, archery, academic competition, science lab opportunities weekly, science fair, art labs, music labs, exceptional media services, and an afterschool program partnered with the local YMCA. All of the activities help to continually recognize Greensburg Elementary School as a Family Friendly School by the IDOE.

LIBRARY NEWS

Greensburg Public Library

The Greensburg Decatur County Public Library is located at 1110 E. Main Street in Greensburg and is part of Evergreen Indiana, a growing consortium of over 125 public, school, and institutional libraries located throughout Indiana. Patrons of member libraries can use their Evergreen Indiana Library card to view the online catalogs and borrow materials from the other member libraries.

The Library offers a full range of services from books, magazines, DVD's and newspapers to the latest online accessibility both in our computer lab and on Wi-Fi. The Library provides downloadable e-Books audiobooks, movies, TV, and magazines through the Libby and Hoopla apps.

Children's Services offer a variety of programs year-round, including Toddler Time and Story Time, and many fun and educational programs for elementary school age children. Teen Services offers programming and activities for grades 6 -12. Various Adult programs are also held throughout the year. The Library also hosts a Summer Reading program for all ages.

Greensburg Library hours are:

Monday – Thursday: 9 a.m. – 8 p.m.

Friday: 9 a.m. – 5:00 p.m.

Saturday: 9:00 a.m. – 4:00 p.m.

Sunday: Closed

The Westport Branch Library is housed in the Westport Community Building.

Westport hours are:

Monday – Thursday, 2:00 p.m. – 8:00 p.m.

Saturday, 9:00 a.m. – 1:00 p.m.

Friday and Sunday: Closed

The Bookmobile provides mobile Library service to residents of Decatur County and carries a constantly changing collection of Library materials. Stop by the Bookmobile wherever you see it parked.

All residents of Decatur County, as well as non-resident property owners, are entitled to a no-cost Evergreen Indiana Library card. This card can be obtained at any of the Greensburg Decatur County Public Library locations: Greensburg Library, Westport Branch and Bookmobile.

We'd love to see you at the Library! Stop by to get your card today. Just bring your valid photo ID with your current address to one of our locations. If you don't have a photo ID with a current address or have other questions, please contact the Library at 812-663-2826. You can also visit us online at www.greensburglibrary.org and follow us on Facebook, Instagram and Twitter @GburgLibrary. The Greensburg-Decatur County Public Library – Check us out!

HEALTH

The dream of a local Hospital became reality when Decatur County Memorial Hospital (DCMH) opened its doors on February 4, 1922 at its current location. The much anticipated county-owned facility was built as a memorial to those Decatur County residents who fought and died for our country in World War I. The original hospital building which is still in use featured 16,000 square feet.

As the community and healthcare services continued to grow, multiple additions to both buildings and services were added. DCMH never forgets, however, their true mission to the community and why they opened their doors in 1922. Although DCMH is located in a small town, the care and spirit the hospital brings equals that of a major-city hospital. The hospital pushes the boundaries of health care, and hopes to grow today and tomorrow to better serve the community.

DCMH has received the community impact award by The Indiana State Office of Rural Health, as well as being recognized as an INspire Hospital of Distinction. In 2021, the hospital received the Best Hospitals Women's Choice Award for Emergency Care. In addition, DCMH earned a coveted 5-Star Quality Rating from the Centers for Medicare & Medicaid Services (CMS), a rating held by only 10% of hospitals in the United States.

The Hospital Foundation of Decatur County was founded in 1992 to provide additional financial support for the healthcare initiatives of DCMH and the community. The Foundation supported the additions of the hospital in 1995, 2003, and 2013 including the Cancer Care Center, completed in early 2016. The Foundation hosts major social events throughout the year such as the Gala held in the spring, the Event 'fore' Caring golf outing and the fun-filled "Tee- Off for Ta-Ta's Goofy Golf" event in September. The Foundation also supports major health related community events including the DCMH Healthy Fair, Men's Tailgate Party, and the Dam Thanksgiving Day 5K Race.

DCMH has been growing and making advancements to their healthcare systems for the past 99 years, leading our community towards a healthier tomorrow. In addition to the traditional services provided by most critical-access hospitals, DCMH features Cancer Care & Infusion Services, Hyperbaric Oxygen Chambers, Pulmonology, Neurology, a full Rehabilitation Center and many other services.

Decatur County Memorial Hospital's highly skilled physicians are here for you, providing an individualized approach that provides what you need and want in your health care. DCMH promises to listen to your concerns and is committed to helping you and your family be healthy and stay healthy.

For more information about additional services and specialties offered at DCMH, upcoming events, physicians and more, visit their website at www.dcmh.net.

Since 1900

110 E. North St. Greensburg, Indiana

Leslie S. Thackery

Braiden B. Ryle

For 120 years, the funeral directors at Gilliland - Howe Funeral Home have served families that value our small town principles and values. Leslie and Braiden were born and raised in Greensburg. They are compassionate and dedicated to serving our community.

Steel Technologies

Not just a job, a career.
Not just a workforce, a family.

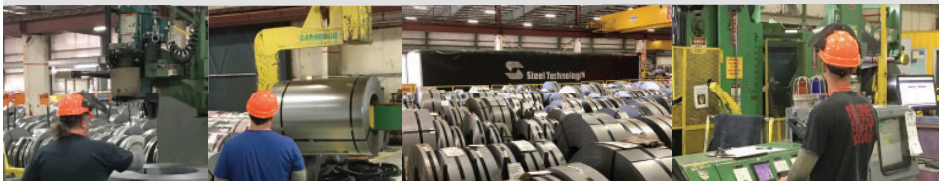

Benefits of Becoming a Steel Tech:

- Medical, Dental, and Vision Insurance
- Paid Time Off
- Competitive Wellness Program to assist in medical premiums, costing as low as \$0.00/month
- Short-Term and Long-Term Disability
- Employer-Paid Life Insurance
- 401(k) + competitive match after one year
- Health Savings Account and Flexible Spending Account
- Discount programs in automotive, and technology
- Safety Incentive Program
- Boot Allowance
- Incentive Bonus
- Retention Bonus of \$1300 for the first year
- Education Assistance up to 100%
- Opportunity for Career Advancement
- 9 Paid Holidays

Steel Tech goes Beyond Zero.

Steel Tech makes the safety of our people & their families a priority.

We have redefined what it means to be safe, our new standard of excellence isn't just zero injuries or illnesses, but to focus on zero near misses, zero property damages, and zero potential for incidents.

To join our Steel Tech Family apply at: steeltechnologies.com/careers

Learning Today, Leading Tomorrow

DCCS leaders plan to boldly transform the learning environment by using technology to support and enhance both teaching and learning.

North Decatur and South Decatur classrooms are infused with digital learning tools by providing hand held devices, laptops, programs, course offerings and experiences to build 21st Century skills that will increase student engagement and motivation while accelerating learning and achievement.

Sincerely,
Dr. S. Jarrod Burns, Superintendent
